Ms. Kun presented the following “As my final year as OLA Treasurer draws to a close, it has been a pleasure for me to work with the exceptional OLA team and the Board. I would like to extend my thanks to the collective efforts of the staff and Board for their ongoing commitment to serve the OLA membership and the Ontario community.

All the meeting materials were provided in advance of this meeting, I would like to highlight that we ended 2018 with a net income (surplus) of \$86,768. It is prudent that the Association present a balanced budget and/or a surplus and the Board of Directors will continue to work hand-in-hand with management to update or implement policies necessary to ensure the growth and stability of the Ontario Library Association.”

5.2. Audited statements for 2018.

Ms. Kun noted that periodically, OLA will invite new auditing firms to submit a proposal through a Request for Proposal process (every 3-5 years) but is happy with the Hillborn Auditing firm as the financial statements present fairly. Ms. Kun wished the new OLA Board of Directors, OLA staff and OLA members much success in the years to come.

Examples include a change to an OLA by-law, or endorsement of an important statement or direction. A notice to submit resolutions was sent to all members. A resolution was put forth to amend OLA By-Law 2, a by-law of the Ontario School Library Association.

The resolution that was submitted was reviewed by the resolutions committee who do not advise on intent, but they ensure that the resolution put forth is clear, accurate and eligible.

Dr. Badgley advised that debate and comments on the resolution is allocated to up to 30 minutes if needed, at 3 minutes per speaker alternating those for and against the motion.

Motion 118 – 6:

WHEREAS the terminology “Teacher-Librarian” is not inclusive of all library staff working in school libraries, and

WHEREAS there should be consistency with other divisions of OLA in terminology (ie. Librarian, librarianship, library worker), and

WHEREAS the focus of the division should be on school library operations, programs and services regardless of particular job classification and staffing models in place, and

WHEREAS school libraries promote equity and inclusivity, OSLA ought to be the voice and fairly promote and include all school library workers in Ontario,

BE IT RESOLVED that the OSLA By-Law be amended to better reflect the purpose, objectives and mission of the Ontario School Library Association, a division of OLA, to better align with all other divisions of OLA in that there are no specific job classifications promoted as follows: (also displayed on the screen)

9. A look forward by 2019 President Richard Reid

Mr. Reid presented the OLA presidential pyramid to Dr. Badgley and thanked him for his service and commitment to the association.

Mr. Reid thanked the OLA membership for their debate and comments about the resolution put forth and noted that as incoming OLA president and as an OSLA member, the discussion has been noted and is a signal for OLA to engage more deeply with members on this issue.

Further he noted that while the membership does not always have to agree, and can have opposing opinions at times, we are ultimately better together. The discussion about the various roles people have in the library sector are not new. Ultimately, we are all part of something that is crucial to our society: Libraries – whatever form they may take.

Faced with a challenge, and even dissent, we need to work through this rather than to walk away – this is what an association is for. Mr. Reid welcomed the membership to share ideas, comments and participation in the association.

10. Adjournment.

Motion 119 – 9: Motion to adjourn.

Moved: Leslie Weir
