# Getting involved in the Forest of Reading is as easy as 1, 2, 3...4.

The Forest of Reading is Canada's largest recreational reading program where readers select the winners! This initiative by the Ontario Library Association (OLA) offers ten reading programs to encourage a love of reading in people of all ages. The Forest helps celebrate Canadian books, publishers, authors and illustrators. More than 270,000 readers participate annually through their local public library, school, or individually.
