

**OPLA Child and Youth Committee
2020 Report**

OPLA child and youth had a very successful year. We garnered some new members and said goodbye to some others. We succeeded in having the Child and Youth Expo online and it was a resounding success. Brian Francis was the keynote, and he did a fantastic job of rousing the participants and setting the tone for the day. We had over 200 people attend and from all across Canada which was a huge success for us as we are always trying to find ways to reach more people!
