

OCULA Lifetime Achievement Award

To recognize an individual working in libraries in Ontario who has made an outstanding contribution to academic or research library development. The OCULA Lifetime Achievement Award honours exceptional achievements in the following areas:

- Service to library committees, associations or organizations,
- Scholarly activities in areas of academic librarianship (e.g. conference presentations, research, publications, editing a book, blogging, etc.), and
- Planning and implementing a library program which serves as a model to others.

In addition, this award honours an individual who has served as a role model or mentor in academic libraries.
