

OLBA W.J. Robertson Medallion Public Librarian of the Year

The W.J. Robertson Medallion is presented by the Ontario Library Boards' Association to a public librarian who has demonstrated outstanding leadership in the advancement of public library service in Ontario.

William John Robertson was a founding member of the Ontario Library Association. The thirty three "originals" that established the first constitution at the first Annual meeting of the Association in April, 1901, were a very distinguished and active group and W.J. Robertson was among the most prominent.

Robertson became the fourth President of the Association in 1905 - the first trustee to be elected into the position. Robertson was twice chair of the St. Catharines Free Library Board.

This provincial award recognizes and honours significant contributions to the library profession. The President of the Ontario Library Boards Association presents the medallion at the annual Public Library Awards dinner held in conjunction with the Ontario Library Association's annual Super Conference.
