My name is Andrea Cecchetto and I am hoping to serve you as the OLA Board VP. I have proudly worked in the public sector for 20 years, including 15 years in public libraries, and am passionate about the impact libraries have on our communities, institutions and organizations . Having been actively involved in the profession, I strongly believe organizations like OLA have the power to create a community of learning and grow advocates within our membership. I am seeking this position as an opportunity to contribute to my expertise and enthusiasm to my profession, and help further OLAs goals in the following ways:

- Support career and leadership development to ensure we have capacity for change and resiliency
- Champion inclusion and diversity in libraries, and by extension our communities
